Guidelines for teachers about oral questions.

Oral Q. 1 : Read the following passage carefully.

(5 Marks)

Skill : Reading.

Objective : To assess the reading ability.

Instructions for the teacher :

The question aims at assessing the ability of the student to read with comprehension. Since this is an oral question, each student is to be dealt independently. If the number of students in the class is big, the oral assessment may be spread over 4-5 days.

Mansukh and Himmat had grown up together as close friends. They shared their problems as well as their pleasures. They were more like brothers than friends. Each had started his own business and had to travel a lot. So they often travelled together. That way, they could enjoy each other's company without neglecting the demands of their business.

Once they had to travel to a far-away place. Their path took them through a desert. In those days, there were no buses and railways. People often travelled on foot.

The two friends started early and the journey began quite happily. They passed the time by singing songs and telling each other jokes and riddles.

Allotment of marks for reading :

Marks	Criteria
5	Reading of entire passage with tone, intonation and expression. Second reading of the passage is permissible.
4	Reading of some sentences with tone and intonation.
